EMBRACING THE HOPES & ASPIRATIONS OF  
ASIAN PACIFIC AMERICANS IN THE UNITED STATES

## What's OCA ?

Founded in 1973, OCA is dedicated to advancing the social, political and economic well-being of Asian Pacific Americans in the United States.

### OCA'S GOALS

- To advocate for social justice, equal opportunity and fair treatment
- To promote civic participation, education and leadership
- To advance coalitions and community building
- To foster cultural heritage

To achieve these objectives, OCA is engaged in organizing its 81 chapters and affiliates across the nation to develop both leadership and community involvement. OCA chapters and our organizational and college affiliates are establishing strong local programs in all parts of the country.

OCA's building on 1322 18<sup>th</sup> Street NW, Washington, D.C. gives the national office an effective vantage point for monitoring legislation and policy issues affecting Asian Americans. In addition, OCA is able to build national support and to work in coalition with other national groups around issues affecting Asian Pacific Americans.

OCA takes no collective position on the politics of any foreign country, but instead focuses on the welfare and civil rights of Asian Pacific Americans in the United States.

Also, OCA publishes IMAGE magazine, which serves as a communications link between chapter members as well as an informative source on federal and legislative initiatives and policies relevant to the Asian Pacific American communities.
